# ALMA MATER

Wilmer-Hutchins Alma Mater  
True to thee

In your halls we now are learning  
Storms of life to ride

Wilmer-Hutchins, Wilmer-Hutchins  
Faithful evermore

Hail all hail our Alma Mater  
Blue and White adore

In this jet age of ours today the future sets the trend of people's thoughts and actions. We students in high school now will be the leaders of this new frontier. The responsibility placed on our shoulders will be a grave one; for we will handle the situations created by this age.

The fast moving pace of the years ahead will bring a measure of success and failure to each of us, just as this past year has brought success and failure to each student pictured in this annual. The important thing to remember though is the extreme effort we have put behind every task that we have undertaken.

This year the annual is not meant to be a book of by-gone memories, but a prologue to the new and exciting things to come. Thus, we ask you to keep this annual as a guidebook for the coming years to remind you that there is never an easy way to accomplish something worthwhile.

Editor-in-Chief

CAROL PERIGO

# DEDICATION

In grateful recognition of her innumerable contributions to Wilmer-Hutchins the publication staff very proudly dedicates the 1961 Eagle to Miss Virginia Grant.

During her six years here at WH, many students have experienced personal satisfaction and the thrill of success under her guidance, in the classroom as well as in the multitude of extra activities which she directs.

Miss Grant is a teacher who is vitally concerned with a student's outlook on life and with the kind of citizen he will be in the coming years. She encourages students to think for themselves and to keep an open mind to change. She earnestly seeks to prepare the students of today to be the citizens of tomorrow.

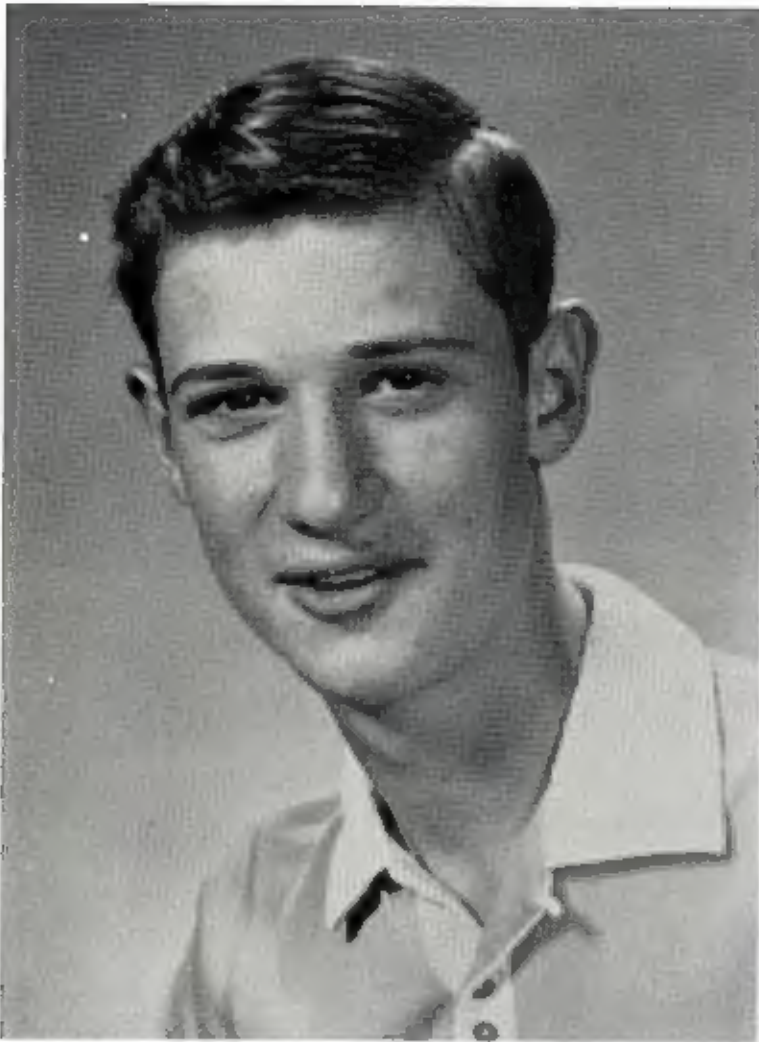

We wish to express our appreciation for her years of faithful service to our school and extend our sincere best wishes for the coming years.

# PIONEER, GO HOME!

"Listen, boy - if you had a meter on your head, it'd be saying empty ever since you were born."

The Kwimpers are faced with a governmental problem.

"Right now you're giving me a test you don't know about."

The citizens of Kwimperville meet to discuss a gambling problem.

SMACK !!!

The government and its rec tape are a perplexing fact

# SENIOR ACTIVITIES

Mildred, Sara, Susan, Rena, Sandra, and Sandra are dressed for Character Day.

Philip, Henry, Mike, Lanny, and Kenneth are really "characters."

Betsy, Doris, Dianne, Alvina, Kathleen, and Sharon reveal their true "character."

Carol and Sandra Mc always have to be original.

Kenneth Knotts wins first prize for being Captain Hook.

Sara and Bruce always go in the latest fashion.

Jimmy, Alvina, and Verna are cool, man, cool.

These characters will ruin the Beatniks.

Khrushchev meets Castro.

# SENIOR ACTIVITIES

Pat Rickman and Verna Spurgeon are lifeguards.

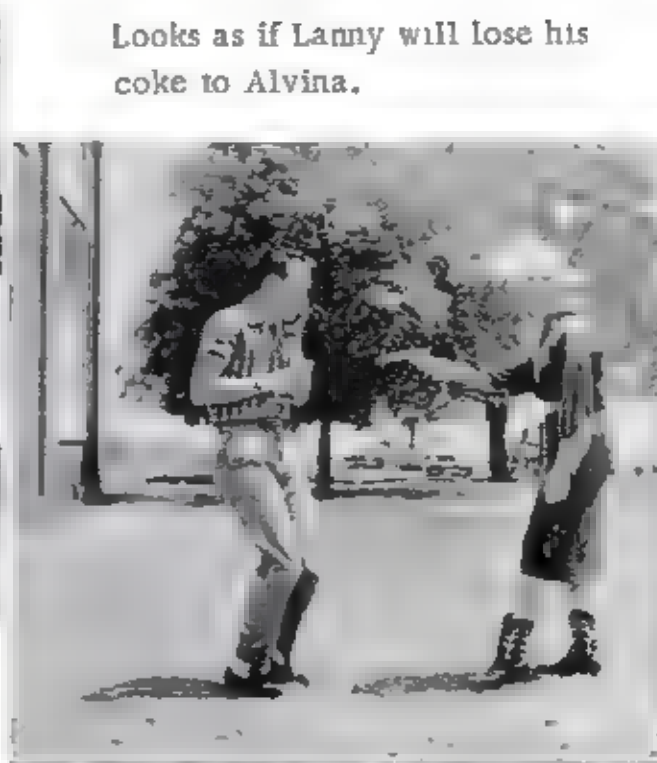

Who but Mildred Peveto would start something like this?

Rena, Frieda, Larry, Kenneth, Bruce, and Sara like the kids section best of all.

Sandra, Verna, Frieda, Doris, Darlene, and Susan were Cow-girls for one day.

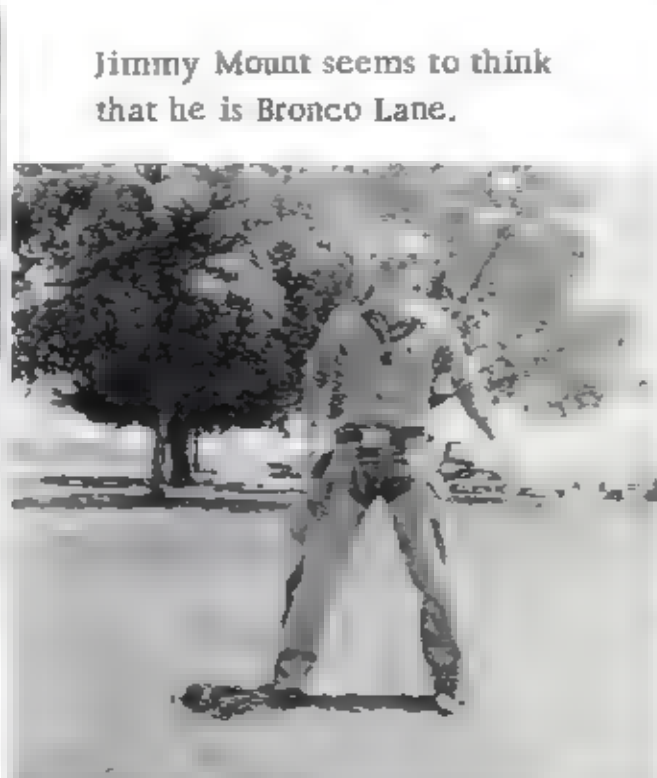

Looks as if Lanny will lose his coke to Alvina.

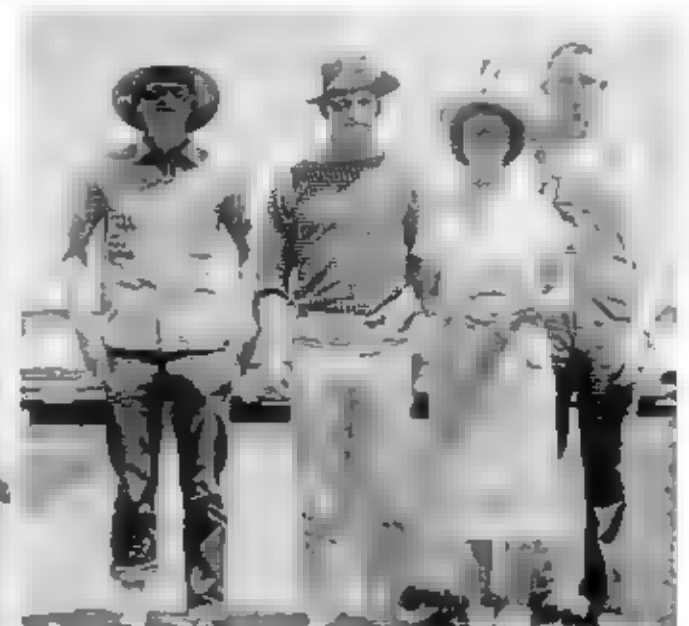

Judy, Nancy, Rena, Carol, Betsy, Cathleen, and Alvina enjoy a day of cow-punching.

Peanut Forrester even brought his horse to school and rode him on Western Day.

Jimmy Mount seems to think that he is Bronco Lane.

Kenneth, A.D., Pat, and Lewis are Hicks for a Day.

DO

When Nancy and Linda had  
to scrub the sidewalk???

YOU

The Senior Assembly?

REMEMBER

Peanut?

The pep rally we had at the  
fair?

Why Miss Grant had a  
pacifier?

Nancy's surprised look when  
we took her picture?

When Sheryl slipped  
on the ice?

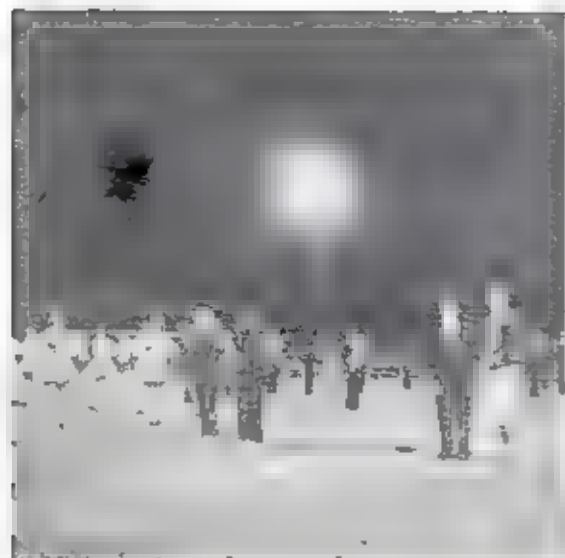

DO

When Bo and Edgar went to the Fair?

YOU

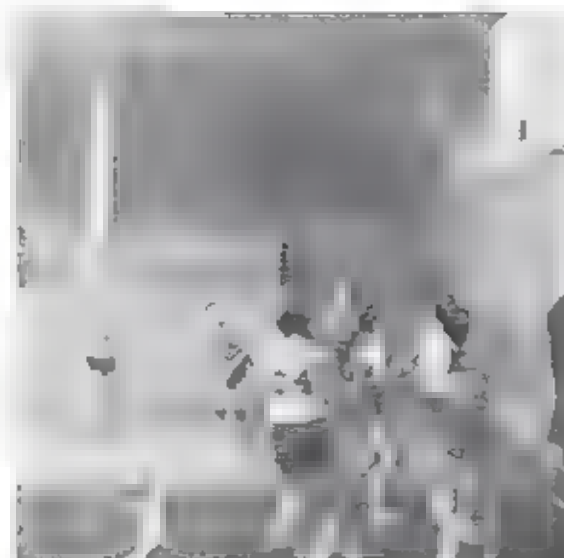

## REMEMBER

When we had a successful football season?

Lanny Brewer? (how could anyone forget)

When we scored these 2 points in basketball?

When Johnny McGowan was in a history assembly? Let's hope history doesn't repeat itself.

When Coach Young swallowed the canary?

The 1st day of school?
